

LOCAL STUDENTS SELECTED FOR \$14,000 GOLDEN LEAF FOUNDATION SCHOLARSHIPS

ROCKY MOUNT, N.C., (June 22, 2023) - Today, the Golden LEAF Foundation announced that 215 rural North Carolina students were selected to receive up to a \$14,000 Golden LEAF Scholarship, including 15 in Cleveland County.

High school seniors entering college as first year students are eligible for a \$3,500 scholarship each year for up to four years of undergraduate study at a participating four-year North Carolina college or university. Community college transfer students are eligible for \$3,500 a year for up to three years of undergraduate study.

Recipients from rural or economically distressed North Carolina counties are selected based on future career goals and an expressed intent to contribute to the state's rural communities upon graduation from college.

The Golden LEAF Foundation established the Golden LEAF Scholarship Program to broaden educational opportunities and provide support to students from rural counties with the goal that after graduation recipients will return and contribute back to rural communities. The North Carolina State Education Assistance Authority (NCSEAA) administers the program and selects students for awards.

"We are proud to award scholarships to hardworking and bright students with deep roots in their rural communities," said Scott T. Hamilton, Golden LEAF Foundation President, Chief Executive Officer. "These students were selected out of a pool of more than 1,700 applicants. We look forward to the future success of these scholarship recipients as they follow their education pursuits and develop into North Carolina's next generation of rural leaders."

Scholarship recipients may also apply for the [Golden LEAF Rural Internship Initiative](#). The Rural Internship Initiative provides Golden LEAF Scholars with professional work experience related to their career field in a rural North Carolina community. The Golden LEAF Foundation provides funding to pay interns \$15/hour for up to 400 hours of work. Internships take place over 8-10 weeks, between June and August.

"Congratulations to Cleveland and Rutherford County students for achieving this great honor!" said North Carolina House Speaker Tim Moore. "Your hard work has resulted in this standout recognition and the admiration of many. Thank you for representing our community well, and may you be successful as you work toward achieving your goals for the future."

"My sincerest congratulations to Mindy, Libby, Camille, Noura, Mike, Rebecca, Michael, Logan, Jake, Caleb, Angela, Miriam, Keyona, Kala, and Hannah for earning this award," said Senator Ted Alexander. "I'm sure you will put in the hard work to help you accomplish your goals. We need students like you to help our rural communities thrive!"
