

LOCAL STUDENT SELECTED FOR \$14,000 GOLDEN LEAF FOUNDATION SCHOLARSHIP

ROCKY MOUNT, N.C., (June 22, 2023) - Today, the Golden LEAF Foundation announced that 215 rural North Carolina students were selected to receive up to a \$14,000 Golden LEAF Scholarship, including one in Randolph County.

High school seniors entering college as first year students are eligible for a \$3,500 scholarship each year for up to four years of undergraduate study at a participating four-year North Carolina college or university. Community college transfer students are eligible for \$3,500 a year for up to three years of undergraduate study.

Recipients from rural or economically distressed North Carolina counties are selected based on future career goals and an expressed intent to contribute to the state's rural communities upon graduation from college.

The Golden LEAF Foundation established the Golden LEAF Scholarship Program to broaden educational opportunities and provide support to students from rural counties with the goal that after graduation recipients will return and contribute back to rural communities. The North Carolina State Education Assistance Authority (NCSEAA) administers the program and selects students for awards.

“We are proud to award scholarships to hardworking and bright students with deep roots in their rural communities,” said Scott T. Hamilton, Golden LEAF Foundation President, Chief Executive Officer. “These students were selected out of a pool of more than 1,700 applicants. We look forward to the future success of these scholarship recipients as they follow their education pursuits and develop into North Carolina's next generation of rural leaders.”

Scholarship recipients may also apply for the [Golden LEAF Rural Internship Initiative](#). The Rural Internship Initiative provides Golden LEAF Scholars with professional work experience related to their career field in a rural North Carolina community. The Golden LEAF Foundation provides funding to pay interns \$15/hour for up to 400 hours of work. Internships take place over 8-10 weeks, between June and August.

“I want to offer a sincere congratulations to Madison for earning this award,” said Senator Amy Galey. “Your hard work has paid off, and I have no doubt it will serve as a benefit for years to come, both for you and your home county.”

“I want to congratulate all of the Golden LEAF Scholarship recipients from Anson, Montgomery, Randolph, and Richmond counties,” said Senator David Craven. “These students should be proud of their great accomplishment and having their hard work and dedication recognized. I wish them the best in their bright futures ahead.”

“I’m so excited to hear that we have a student from Randolph County receiving the Golden LEAF Scholarship,” said Representative Robert Reives. “This is a tremendous honor. We will all benefit from the knowledge and skills Madison will bring back to a rural North Carolina community.”

“I am happy to congratulate the Golden LEAF Scholarship recipient from Randolph County,” said Representative Brian Biggs. “This program and the students that participate in it are big reasons why North Carolina is growing in so many areas. Thank you for your dedication to Randolph County and North Carolina.”

“My sincerest congratulations to Madison for earning this award,” said Representative Neal Jackson. “I’m sure you will put in the hard work to help you accomplish your goals. We need students like you to help our rural communities thrive!”

The newly selected 2023-24 Golden LEAF Scholarship recipient is as follows:

Randolph County

Name	High School/ Community College	University
Madison Varner	Southwestern Randolph High School	Pfeiffer University

About Golden LEAF Foundation:

The Golden LEAF Foundation is a nonprofit organization established in 1999 to receive a portion of North Carolina’s funding from the 1998 Master Settlement Agreement with cigarette manufacturers. For more than 20 years, Golden LEAF has worked to increase economic opportunity in North Carolina’s rural and tobacco-dependent communities through leadership in grantmaking, collaboration, innovation, and stewardship as an independent and perpetual foundation.

The Foundation has provided lasting impact to tobacco-dependent, economically distressed and rural areas of the state by helping create 67,000 jobs, over \$720 million dollars in new payrolls and more than 95,000 workers trained or retrained for higher wages. Golden LEAF has provided 6,466 scholarships totaling more than \$45 million to students from rural communities attending North Carolina’s colleges and universities.
