

## **LOCAL STUDENTS SELECTED FOR \$14,000 GOLDEN LEAF FOUNDATION SCHOLARSHIPS**

ROCKY MOUNT, N.C., (June 27, 2024) - Today, the Golden LEAF Foundation announced that 215 rural North Carolina students were selected to receive up to a \$14,000 Golden LEAF Scholarship, including four in Surry County.

High school seniors entering college as first year students are eligible for a \$3,500 scholarship each year for up to four years of undergraduate study at a participating four-year North Carolina college or university. Community college transfer students are eligible for \$3,500 a year for up to three years of undergraduate study.

Recipients from rural or economically distressed North Carolina counties are selected based on future career goals and an expressed intent to contribute to the state's rural communities upon graduation from college.

The Golden LEAF Foundation established the Golden LEAF Scholarship Program to broaden educational opportunities and provide support to students from rural counties with the goal that recipients will return and contribute to rural communities after graduation. The North Carolina State Education Assistance Authority (NCSEAA) administers the program and selects students for awards.

"We are proud to award scholarships to hardworking and bright students with deep roots in their rural communities," said Scott T. Hamilton, Golden LEAF Foundation President, Chief Executive Officer. "These students were selected out of a pool of nearly 2,000 applicants. We look forward to the future success of these scholarship recipients as they follow their education pursuits and develop into North Carolina's next generation of rural leaders."

Scholarship recipients may also apply for the Golden LEAF Rural Internship Initiative. The Rural Internship Initiative provides Golden LEAF Scholars with professional work experience related to their career field in a rural North Carolina community. The Golden LEAF Foundation provides funding to pay interns \$15 per hour for up to 400 hours of work. Internships take place between May and August.

"It is because of students like the ones in my district that I have confidence in the future of our rural communities," said Senator Eddie Settle. "Congratulations on receiving a Golden LEAF Scholarship. You have been provided an exceptional opportunity to gain invaluable skills that will positively impact our community long after you graduate from college."

"My sincerest congratulations to the students from my district for earning the Golden LEAF Scholarship," said Representative Sarah Stevens. "I'm sure you will put in the hard work to help you accomplish your goals. We need students like you to help our rural communities thrive!"

The newly selected 2024-25 Golden LEAF Scholarship recipients from Surry County are as follows:
