

Introduction

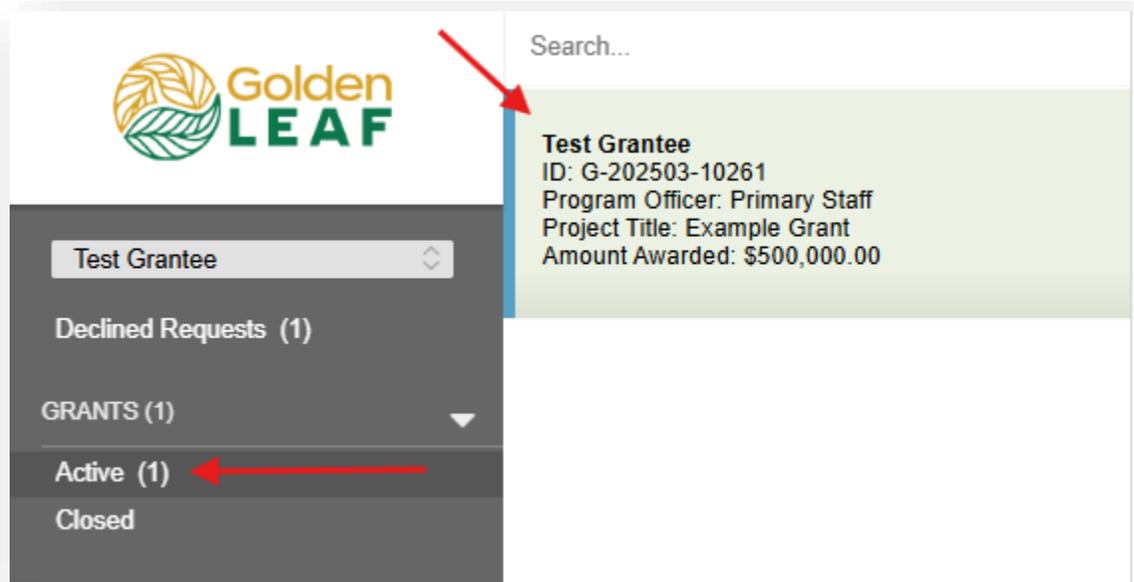

Programs staff uploads the most recent approved files and other documents to your grant in Request Documents as "Foundation File to Grantee". These files include the updated Excel workbook uploaded after Golden LEAF approves each submission (initial requirement, progress report, payment request, etc.). Files uploaded by Golden LEAF may also include the Grantee Acknowledgement and Agreement or other documents or forms that you need.

Steps to Locate Files

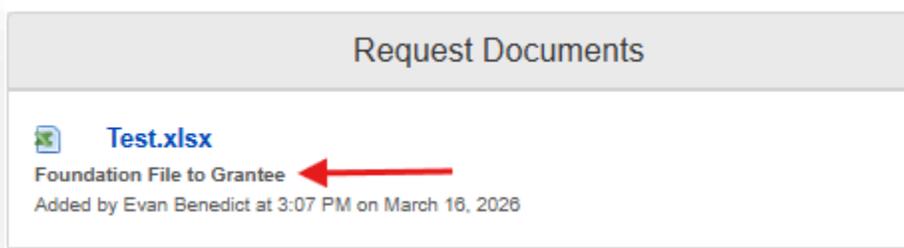

1. Open your preferred browser and go to <https://goldenleaf.fluxx.io>. Log in.
2. Scroll to **GRANTS** on the left side. Click **Active**. Click to select the grant (if you have more than one grant).

3. Click the **Documents** link or scroll down to **Request Documents**.

4. The Excel workbook, in this example, has been uploaded as "Foundation File to Grantee". Files uploaded as "Foundation File to Grantee" are from Golden LEAF to/for you.

Request Documents is where the Grantee Agreement and other grant documents from the Foundation are located throughout grant implementation.
