

## **LOCAL STUDENTS SELECTED FOR \$14,000 GOLDEN LEAF FOUNDATION SCHOLARSHIPS**

**ROCKY MOUNT, N.C.,** (June 12, 2025) - Today, the Golden LEAF Foundation announced that 215 rural North Carolina students were selected to receive up to a \$14,000 Golden LEAF Scholarship, including three in Mitchell County.

High school seniors entering college as first year students are eligible for a \$3,500 scholarship each year for up to four years of undergraduate study at a participating four-year North Carolina college or university. Community college transfer students are eligible for \$3,500 a year for up to three years of undergraduate study.

Recipients from rural or economically distressed North Carolina counties are selected based on future career goals and an expressed intent to contribute to the state's rural communities upon graduation from college.

The Golden LEAF Foundation established the Golden LEAF Scholarship Program to broaden educational opportunities and provide support to students from rural counties with the goal that recipients will return and contribute to rural communities after graduation. The North Carolina State Education Assistance Authority (NCSEAA) administers the program and selects students for awards.

"We are proud to award scholarships to students who have deep connections to their rural communities," said Scott T. Hamilton, Golden LEAF President, Chief Executive Officer. "These recipients were selected from nearly 1,600 applicants. We look forward to their future accomplishments as they continue their education and become North Carolina's next generation of rural leaders."

Scholarship recipients may also apply for the Golden LEAF Rural Internship Initiative. The Rural Internship Initiative provides Golden LEAF Scholars with professional work experience related to their career field in a rural North Carolina community. The Golden LEAF Foundation provides funding to pay interns \$18 per hour for up to 400 hours of work. Internships take place between May and August.

"For rural communities in my district, having a workforce that is prepared and ready to take on the challenges of tomorrow is invaluable," said Senator Ralph Hise. "Thanks to scholarship programs like those offered by the Golden LEAF Foundation, students in rural counties like ours have a chance to get an education, take what they've learned, and return home to impact and transform their communities."

"It is because of students like the ones in my district that I have confidence in the future and resilience of our rural communities, especially in the wake of challenges like Hurricane Helene," said Representative Dudley Greene. "Congratulations on receiving a Golden LEAF Scholarship. You have

been provided an exceptional opportunity to gain invaluable skills that will positively impact our community long after you graduate from college.”

The newly selected 2025 Golden LEAF Scholarship recipients from Mitchell County are as follows:

Name	College Name	High School
Elijah Allen	Appalachian State University	Community College Transfer
Reynaldo Silva-Santiago	Appalachian State University	Mitchell High School
Madison Smith	Appalachian State University	Community College Transfer

**About Golden LEAF Foundation:**

The Golden LEAF Foundation is a nonprofit organization established in 1999 to receive a portion of North Carolina’s funding from the 1998 Master Settlement Agreement with cigarette manufacturers. For 25 years, Golden LEAF has worked to increase economic opportunity in North Carolina’s rural and tobacco-dependent communities through leadership in grantmaking, collaboration, innovation, and stewardship as an independent and perpetual foundation. The Foundation has provided lasting impact to tobacco-dependent, economically distressed, and rural areas of the state by helping create 68,000 jobs, more than \$780 million in new payrolls, and more than 98,000 workers trained or retrained for higher wages.
